Twenty Dollars Reward,

WILL be given for apprehending negro FAME a very low and tolerable lusty woman about 38 years of age, but from appearance older, very black and much marked with the small pox which occasioned a small defect in one of her eyes, has lost one of her foreteeth, she is very artful and cunning, having procured a free pass, and passes by the name of Charity Shorter; she was formerly the property of John Chittens of this county, and was run away for near eight years, was apprehended and sold to me in 1803 and was hired by me to a certain Thomas King of Prince George's county, from whom she absconded in Oct. 1804 and has been lurking, I do suppose near where she was hired or gone to Calvert county where I have understood her husband has gone. The above reward will be given to any person who will lodge her in jail so that I get her again, or deliver her to Mr. Samuel Byrne the city of Washington, or to the subscriber living in Charles county Maryland, near Port Tobacco.

P. S. I forewarn any person from harboring or imploying said woman, at their peril.

City of WASHINGTON, Sept. 9, 1805.

Several persons under the impression that the public lots in this city are to be disposed of in future by *public sales only*, having made enquiries when the next sale will probably take place, we are requested to state that those lots may at any time be purchased at private sale of the Superintendant of the City.

Sept. 9—tf

On a liberal credit.

THE subscriber will dispose of at private sale, his estate called Chichester, lying on the eastern branch, immediately opposite the city of Washington. This tract of land containing 697 acres is laid off in lots from 83 to 144 acres for the convenience of purchasers. Plats of the estate and the terms of sale are in the hands of colonel Hanson at the navy yard, and Charles Wayman of George Town. The lots will be shewn by Mr Wedden, living on the premises, near the Eastern Branch bridge.

ANTHONY ADDISON.

Barnaby, 14th June 1805—tf

Twenty Dollars Reward.

AARON, a mulatto man about 43 years old, left the city of Washington early in October, and was seen on the road leading from Alexandria to Leesburg in company with a black woman, who I am informed is the property of some person in the vicinity of this place—He is about 5 feet 10 inches high, has strait hair, very bald, in one of his eye brows (I think it is the left) near his nose, there is an indented scar occasioned by a stroke he received, which fractured the bone in that place, and whenever he has it in his power never fails to drink to excess. It is probable that he has gone to Jefferson or Berkley county Virginia, where he formerly resided, and from thence will endeavor to go to Kentucky. The above reward will be paid to any person who will have him committed to jail, and give information thereof to the subscriber in George Town, district of Columbia.

A BARGAIN.

THE subscriber offers for sale the farm he now occupies, containing near 300 acres with or without the stock thereon.

It is distant from the cities of Georgetown and Washington, about five miles, and well known as a healthy situation. There is much fine fruit thereon, and abounds with springs, affording as good water as in the United States, a considerable proportion of the land has been in clover, and from thirty to forty acres fit for the scythe the ensuing summer. It is now in a very improving state, being altogether clear of broom sedge, and from 40 to 50 acres ploughed and prepared for a spring crop, and from 30 to 40 acres well set with wheat and rye—some part of the land is calculated for tobacco; and plaister of paris answers well with it all. The dwelling house and other improvements may with small repairs, be rendered very comfortable—From its vicinity to two growing cities, many advantages result in supplying the markets. A purchaser may calculate on a good bargain, particularly if an early application be made. Some part of the purchase money will be required in cash or approved negotiable paper: the remainder rendered easy—or negroes received in payment. The subscriber or William Searly residing on the farm will shew it when required, and the terms made known by application to *Mr. John Thompson*, George Town, or *Dr. WM. THORNTON*, Washington.

Some Lands calculated for the culture of cotton, Indian corn and small grain, situated on a navigable river in the healthiest part of the state of Georgia, will also be sold on reasonable terms or exchanged for negroes.

FOR SALE.

IN the county of Albemarle Virginia, 971 acres of land lying on both sides of Hardware river, generally adapted to small grain corn and tobacco with a great abundance of meadow land. About four hundred acres are cleared most of which are low grounds; and it is perhaps capable of the highest improvement of any land in this part of the world by having an inexhaustible source of rich mud or soil that has been accumulating for ages. The situation is fine, healthy, convenient to two tobacco warehouses, the court house and several merchant mills and in a very respectable neighborhood. Hardware river is capable of being made navigable into James river from several miles above this tract for which there is an act of assembly. There is on the land a large two story dwelling house, almost new and other convenient houses—at about half a mile from which, there is also an old dwelling house, kitchen and store house, that may be made with some repairs capable of accommodating a genteel family. There is also on the premises between 90 and 100 000 brick well burnt which will be disposed of on reasonable terms. The payments required will be one third cash and the remainder at two equal annual instalments. Any person wishing to purchase or view the said land will apply to the subscriber living on the premises

Twenty Dollars Reward.

WILL be given for apprehending and securing in jail a young Mulatto man slave named ANDREW. He was hired by me last year to Mr. Joseph Thomas who keeps the said ferry to Alexandria, and absconded from that place about the latter end of August last. He is about 23 years of age, 5 feet 8 or 9 inches high, lusty and well made, has short curly hair and is frequently subject to have several large pimples on his face. He is reckoned to be a sensible fellow of an easy agreeable address for a man in his low sphere of life. As he has not been heard of by me since his elopement, I suspect he has had the address to ship himself as a freeman on board some vessel either at Alexandria or Baltimore. Whoever takes him up and secures him in jail shall receive from me the above reward, as soon as due information thereof is given to me or to Dr. N. P. Causin at Port Tobacco.

Iron Works and Mills FOR SALE.

THE Subscribers will sell by private bargain those valuable iron works, mills and mill seats, situate at or near the mouth of Anti Eatum creek in Washington county, Md. within less than half a mile of Potomac river, together with all the lands in Md. thereunto belonging, supposed to be between 7000 and and 8000 acres, a sufficient quantity of which, for the use of the works, is rich grass land. Also, all the negroes, (several of whom are skilful forgemen) stock, and other property, personal or mixed, appertaining to the said estate. Also, all the property in Virginia belonging to the same, consisting of a small tract of land on the river nearly opposite to the iron works of Denton Jacques, which is known to contain iron ore in abundance—a part of the Keep Tryste Ore bank lately recovered, which is distant from the furnace at the Anti Eatum works about four miles. Several lots in Shepherd's town, improved and unimproved; with the rights of the company, (which though now only conditional will be made complete) to the ferry across Potomac below Anti Eatum, and the farm to which the same is annexed, containing between 150 and 200 acres of very good land—together with all rights and privileges to other ores, landing places, and conveniencies held and claimed by the late firm of Richard Henderson, and Co. making in the whole one of the most valuable estates in America for carrying on iron works of every kind, and for the manufacturing of flour on an extensive scale by a mill, lately built and now in complete order for that purpose, from which the Potomac canals give water carriage to the towns below, the land carriage to George Town being not more than 60 miles, and for an advantageous sale of iron, the very populous country and towns near the works afford a ready market.

Possession may be had on the 1st of January next, or at any reasonable time thereafter. For further description of the property, and of quality and quantity of lands with title papers, any person disposed to purchase is referred to Mr. John Ritchie at the works, and for terms of sale to James M Lingan, near George town, and Wm Stuart of the house of Stuart and Beall in that place.

THOMAS COOK, }

February 5—8t

I BEG the attention of the reader to take notice of the reports circulated in Montgomery county, are false and malicious, and not one word of truth in them. The first report was, that I had made over all my property to my son Matthew in Kentucky, and was recorded in Montgomery county, for fear of Thomas Orme. The second was that I had published Thomas Orme in the public papers, and the 3rd was that my son Laurence had altered a figure in a certificate for the weight of hay. Now the world may plainly see that there is nothing left undone that could be done with money & tongues, I will now state to the public how the business was transacted—the third day after the decision of Thomas Orme and myself, there was while I was at court at my house a gentleman who I never saw, and he said he was from the city at the distance of 14 or 15 miles with a pretence to purchase all my hay, that was I suppose to get some advantage of him, or some one of the family, and after I heard what they were about to do, I called on the hay weigher in the presence of two young gentlemen for the examination of his books, if they may be so called, where we found nothing but some half sheets of paper in the public streets and in the hay box to the liberty of any person who would wish to see them; upon examination we found the weight of the waggon the first time 1330, the 2nd 1280, and the 3rd time 1230, which happened all in a few days of each other, & on the day it weighed 1420 in the city, it only weighed 1225 in George town, which was weighed for one Mr. Tilvers, but he could not take it, Mr. Simms seeing the load of hay bo't it, and sent it on to the city which was the cause of it being weighed twice in one day, and I have the receipts to shew both from him and Newton. Now if any man keeping such books, and being guilty of so many mistakes, I will ask, can any dependence be placed in him, or any other person, when one man would say he would give a thousand pounds, and another would say he would give a thousand dollars to have him punished the gentleman whose character has been represented to stand so fair, had better have kept his thousand pounds to give to Mrs Teles Nuges, which she left in his hands for them, and he withheld it from, and do suppose the separate answer to the bill of complaint and the deed of a number of tracts of land contained in one deed, and the different assignments produced from record bears hard on his mind, which I mean to produce to the next court in the district of Columbia, and it plainly shews his anxiety by coming into court & bringing the business forward; I shall certainly meet him in his own state, and if he wants satisfaction he must meet me in mine—and as for the other gentleman he has better kept his thousand dollars to pay his creditors, for he has surely forgot the 20 shilling bills that was made in Bladensburg or he would not have interested himself so much, for I have heard it for an old saying, and I believe it to be true, the more you stir any thing that is filthy, the more it will smell.
