A GREAT BARGAIN.

THIRTY THOUSAND DOLLARS will be taken and payment made easy, to the purchaser, for the following valuable property free from any incumbrance whatever.

A SET of saw mills working two saws—a grist mill with two run of stones and bolting machine, also a cotton and rice machine complete all worked by water, also one saw mill about 200 yards from the former and on the same dam, now about finishing that will work from two to fourteen saws under the same roof—this mill is insured for three years after her being completed—they now being in good repair and the whole in a progressive way of improvement. with about ten thousand acres of land all adjoining and immediately contiguous to the mills, on which are several valuable farms. The timber for mill use are inexhaustible and unexceptionably good—they are situated on the waters of Drowning Creek ninety seven miles from George Town South Carolina, to which place the lumber is carried being rafted at the mills without the trouble of hauling, a valuable convenience. The stream is equal if not superior to any in the states of North or South Carolina—the grist mills command a custom at times of 30 or 40 miles around them. The situation at the mills is high, pleasant and very healthy, on which is a good two story house with piazza, a good kitchen, stables, carriage and harness houses and other necessary out buildings with a new store house compleatly finished, it being an excellent stand for a country store. Application to be made to the Subscriber at Millville near Lumberton in North Carolina, or for any information respecting the premises, to Samuel D. Purviance at the city of Washington.

HENRY INGLE.
Washington, Oct. 28.—tpam.

FOR SALE.

THE Plantation on which I live, containing about 600 acres of valuable land. The improvements are, an exceeding good dwelling house two stories high, 42 feet long, by 36 feet wide, with a passage through the middle, three rooms below, and four above stairs, with fire places in all but one, and a dry sweet cellar, the size of the house, in which is a capital vault with two rooms, and above is a fine airy pantry. A kitchen 36 by 18, two stories high, with a kitchen and laundry below, and lodging rooms for servants above. A washing house, meat house and dairy and in short every necessary improvement for the accommodation of a family, and a very fine collection of grafted and budded peach trees of the most approved kinds, chiefly from Princes nursery on Long Island, which are just beginning to bear. This property is situated in a healthy genteel neighborhood, about four miles from the city of Washington, five from Alexandria. Nearly one half is in wood and timbered, and the residue arable and meadow land, of the latter, there are about 50 or 60 acres under the scythe and more may be easily laid down. Perhaps no tract of the same size, abounds more in fine springs, there being a never failing stream in every field, besides an abundant one which runs through the meadow and from which the greatest part of it may be watered. For terms apply to the subscriber on the premises.
