RANAWAY on Monday 21st August, 1809, from the Subscriber living in the lower end of Montgomery county, state of Maryland, near Vansville, a negro fellow named HARRY, about 21 years of age, about 5 feet 10 or 11 inches high, black complexion, hollow jawed and thin visage, red eyes and when examined has a downcast look—he had on and took with him an old white fur hat, a country striped cotton waistcoat, a white jacket with a spotted border, a pair of green corded pantaloons, one old Irish linen and one oznaburg shirt, one pair of country tow trowsers, and a very large watch coat blanket. It is likely he may change his clothes and in all probability procure a pass and will endeavor to pass as a free man. I will give a reward of Ten dollars to any person who will secure said fellow in any jail so that I get him again, if within the state; and if out of the state, the above reward of 20 dollars, and all reasonable charges, if brought home will be paid by me.

VALUABLE FARM FOR SALE.

I WILL sell the tract of land on which I reside, called BUSSARD ISLAND, lying on Patuxent river, in Calvert county, and nearly opposite to Benedict, containing by estimation, seven hundred three and a quarter acres of as fertile land as can be found in the state of Maryland, one third of which is in wood and very heavily timbered, and as well watered for the convenience of stock as any tract of its size in the state.

The arable part of this plantation is level and much of it covered with oyster shells, and is divided into three fields, each of which will produce two hundred barrels of corn with a reserve of prime tobacco land sufficient to grow fifty hogsheads of tobacco annually, and with very little labor more meadow may be reclaimed than will be found sufficient. No land can be better adapted to the growth of corn, tobacco and wheat, and few plantations hold out stronger inducements to stimulate an industrious man. It binds for a considerable distance on the river & lies nearly in a square. Fish, oysters, and wild fowl are to be had at all times. Stock of every description, particularly sheep, thrive and improve wonderfully when removed to this land, a convincing proof of the nutricious quality of the grass, which it produces in great abundance. The improvements are sufficient to accommodate a small family.—A more particular description is not necessary, a purchaser will naturally view the premises. My price for the above tract of land is sixteen thousand dollars—one sixth part of the purchase money to be paid on the day of possession, and the balance in five equal annual payments, with interest from the day of sale.

I will sell at public sale on the 20th December next, in the town of Upper Marlborough, all the personal estate on the above premises, consisting of a number of valuable negroes, horses, mules, cattle, sheep & hogs, plantation utensils, household and kitchen furniture on a credit of twelve months, the purchaser giving bond with approved security; for all sums under $ 20 cash will be required.

N. B. If the above tract of Land is not disposed of, it will be for rent the ensuing year

RICHARD W. HARWOOD.

Sept. 1—t 20 Dec.

TO BE SOLD AT PUBLIC AUCTION,

AT Northumberland court house, in the county of Northumberland, and state of Virginia, on Tuesday the 5th of September next, at 11 o'clock in the forenoon, five contiguous plantations, amounting together to about 2,700 acres, situate on the river Potomac, and within about three miles of the court house. These estates formerly belonged to Presley Thornton, Esq. and are the same on which he lived. They have never been seen by either of the subscribers, but it is understood, that about 1700 acres of them are as valuable low grounds as any on the river, and a considerable part thereof heavily timbered. The uplands consist of about 1000 acres, and the whole is well calculated for the production of corn, wheat, tobacco, timothy and small grain of all kinds, in great abundance. The waters are said to abound with excellent fish, oysters and wild fowl. The water carriage is easy and convenient to Norfolk, Baltimore, Alexandria and the city of Washington; and as these estates possess several good mill seats, with an abundance of water and a plentiful supply of timber, they must be very valuable.

The premises will be shewn to persons inclining to purchase, by col. James Moore, who lives on them, or by Samuel Blackwell, Esq. who lives near to them; and the terms of payment may be known a sufficient time before the sale, by applying to either of them, or to THOMAS ROBINSON,

Near Chester, Delaware,
Or to W. LEWIS, at Phila.

The subscriber offers for sale that elegant and valuable estate, called WILTON, lying nine miles below Richmond. The dwelling house is not inferior to any in the state; the offices are commodious; the garden and yard are handsomely laid out. The situation combines so many advantages, that I am unwilling to give a description of it, wishing any gentleman who is disposed of purchase, to come and view it. It may not be amiss however to observe, that James river runs 100 yards from the door of the house, that vessels of five hundred hogsheads have loaded at Warwick, one mile above it, that the water carriage to Richmond is only six miles, that there is a good shad and herring fishery, and that wild fowl are frequently procured. A small GRIST MILL is attached to it on a stream that runs through the plantation.

—ALSO—

2000 ACRES OF LAND,

Lying on Fighting Creek, Powhatan county, two miles from the Court House, which will be divided into two or more lots to suit purchasers. This land is well watered and calculated for the culture of wheat, corn and tobacco.
