ANNOUNCE THE ARRIVAL OF THE MEN'S NEW LONDON-MADE

Aquascutum Topcoats for Fall

And Ulsters for Winter and Motor Wear

Involving more than 1000 of these famous coats and embracing the newest color schemes in those wonderful warmth-without-weight Aquascutum weaves.

THE AQUASCUTUM Coat comes by its reputation honestly. A coat which can withstand the rigors of an English climate can stand anything. That is why the Aquascutum is the best-known overcoat in the world. It is worn everywhere, on Fleet Street and in Flanders, on Piccadilly and the Plaza, and wherever men want the comfort of warmth without the discomfort of weight. In addition, it has style. Not merely the style of conformance to a mode, but the style which is typical of the people who make them, and who excel in making swagger topcoats simply because they live in a region of perennially topcoat weather.
