VAN RAALTE Veils

Made in U. S. A. At All Good Shops. *The Vision*

PERHAPS before bordered veils were in vogue you considered a plain Hexagon most becoming. Today you may buy these Hexagons with the daintiest of borders—the Vision is only one of them. In buying veils, remember that Van Raalte Veils wash without wearing (except those applied), stretch without tearing, outlast three ordinary veils. Write for Style Booklet. Address Dept. "J."

ARTCRAFT HOMES

Are Architecturally Designed—Not Builder Made. The skill of experienced architects give them beauty and charm. Terry's improved system of preconstruction—the first really practical method of its kind—give them durability. No house of ordinary construction can be built so soundly, so economically or so well. If you want a perfect home—well proportioned without, livable and convenient within, at an extremely low cost, investigate the ARTCRAFT modern method of building. There are many exclusive features—time saving—cost saving—labor saving—which make ARTCRAFT construction superior to other methods. They are all clearly and concisely explained in the ARTCRAFT CATALOGUE of houses, bungalows and garages. This catalogue will be sent you on receipt of ten cents for postage and mailing.
