**ENTERPRISE COFFEE MILL NO. 100**—Made by the Enterprise Manufacturing Company, Philadelphia, Pa. Coffee connoisseurs always want their coffee ground just before infusing. Therefore they will treasure as much fine gold this capable little coffee mill, which fastens solidly to the wall, holds a pound of coffee in an air-tight container and grinds the same to any degree of fineness indicated by the screw dial in the crank. Moreover, the ground coffee falls into a graduated measuring cup. Prices \$1.25 and \$1.50.

**TAPLIN'S DOUBLE DASHER BEATER**—Made by Taplin Manufacturing Company, New Britain, Conn. This beater, with its smoothly running gear and double dasher, will beat the white of an egg stiff in thirty seconds. Any cook will know what that means. The beater is durable, and, in spite of its eight blades, easy to clean. Price 25 cents.

**ECONOMIC TOP**—Made by the Stove Appliance Company, Marquette Building, Chicago, Ill. A solid iron top for a gas stove, with lids just like a coal stove, does away with a good many little weaknesses of the highly efficient gas range. This top conserves heat, prevents burning, makes slow cooking easier and is cleanly. It is most popular with expert cooks. Prices \$2.75 to \$3.75.

**DEXTER HOUSEHOLD AND COOKING SPATULAS**—Made by the Harrington Cutlery Company, 238 Broadway, New York. These thin, flexible blades are as useful to the housewife as to the chemist. The narrow one is best for scraping pans, the broad one is most convenient for lifting gridle cakes. Prices 35 and 50 cents.

**KAN CUTTER**—Made by Lo-Vis Company, Kalamazoo, Mich. No more saw-toothed opening in the tops of tin cans for the housewife who owns this can opener. It runs around the outside edge of the can, instead of the top, and makes a clean, smooth cut. Also it does not call for an athlete to operate it. Price 35 cents.

**HOME HELPS DISHWASHER**—Made by the Home Helps Manufacturing Corporation, 29 Broadway, New York. This is a dish washer for the woman with a small family. It works in an ordinary sink, attaches to the faucet, and it scrubs the dishes with a brush through which flows a stream of hot, soapy water and rinses them with the spray at the side. Boiling water can be used and the dishes dried without wiping. Dishwasher complete, with drying basket, hook and soap, \$5.00.

Among the prettiest gifts of nature are Herrmann's **CROCUS SPECIOSUS**, the fall flowering members of the spring crocus. They are not new to the botanist, but almost forgotten treasure; they have been brought to light again by our specialist and, after four years' trial, we offer them to the public.

**Crocus Speciosus** are large in size, silky in texture, and of the light and deep colors of heaven. When the leaves begin to color these dainty messengers in blue appear above the brown soil, but after bud, flower after flower, year after year, telling us not to dread the winter, not to forget that spring is coming again, to hope!

**Crocus Speciosus** are hardy, stand our winters well and multiply in the border. Planted now they will begin to bloom in about 14 days and be in their glory in 3 to 4 weeks. Therefore, order at once.

2 colors: sky blue, dark blue.  
6 for 20c, 12 for 35c, 100 for \$2.50, prepaid in the U. S.
