The Fine Art

that has made the name of Stickley a magic word with lovers of good furniture, has been applied to the perfection of the DAYBED—and so now you may come to the Stickley Showrooms in the Craftsman Building and find the choicest as well as the largest collection of Daybeds in all America. They range from Craftsman and Colonial simplicity to decorative period designs, but all, regardless of style or price, share in the superb Stickley craftsmanship and the glowing Chromewald finish, and all alike embody the unique exclusive extension feature by which a single pull and a slight lift convert an exquisite day-couch into a luxurious, rigid double bed—the acme of comfort. To purchase a Daybed without first seeing this group would be exceedingly unwise. Delivery and terms made through your own dealer. If you cannot call, send for folder illustrating various designs.
