DANERSK

Your courage and your judgment are influenced by the things you have about you.

You owe it to yourself and to your family to maintain those standards of orderliness and beauty in your home furnishing that give good cheer and confidence.

A woman came to ask for an inexpensive selection of our decorative furniture, saying that she had lost her husband and could not be in France with her son, so she had decided to make a bright and charming room for herself as a beginning of a new attitude of constructive service on her part. You can imagine the eagerness with which we cooperated with her.

We believe that the best contribution our organization can make today is to give you the greatest possible cheer and individuality in your home surroundings for the least possible cost.

We make our furniture in our own factories near New York. There are no delays due to shipments from a distance.

Call for consultation and advice, whether you want to purchase now or later.
