

**So Deliciously Satisfying**

SUGAR alone doesn't satisfy. Rice pudding without flavoring or seasoning is tasteless. But added to the sugar in Belle Mead Sweets are deft "touches"—like the mellow trace of clover-bloom honey in Belle Mead Nougat—which make them exceptionally and differently delicious.

The fruit and nut combinations, the distinctive flavors and rich chocolate coatings make the Belle Mead Sweets GOLD SEAL ASSORTMENT universally liked. They are so different from ordinary sweets—with that same rich difference one tastes in cooked foods made with thick, cool cream and creamery butter.

Each dainty Sweet is one of Nature's rarest "smiles," made in a factory as sunny and as clean as Nature's own great outdoors where She produces Her choicest fruits and flowers.

Find the Belle Mead dealer in your neighborhood today—if you like good candy. Try the Gold Seal Assortment at \$1.10. If you cannot find your dealer, ask us to send his name and address from Trenton.

**If Teeth Were Always Kept Clean**

GEORGE WASHINGTON was toothless at 40. In his day teeth were expected to decay and be pulled. We know better now. Sensible people are faithful in their visits to the dentist and in their daily use of a reliable, safe dentifrice. Cautious parents are watchful of their children's teeth.

A clean tooth will not readily decay. Nor harbor germs or tartar and stain. Properly brushed gums will not recede or bleed or become spongy.

ALBODON DENTAL CREAM is the safe-and-sure family dentifrice. The purity and quantity of its cleansing and polishing ingredients keep the teeth at maximum whiteness and cleanliness. The essential oils and antiseptics keep the mouth sanitary and germ-free. Used daily from youth on, there need be no serious dental trouble. The danger is in starting late.

People find ALBODON beneficial and pleasant. It never hardens in the tube no matter what the weather.

**BRUSH YOUR TEETH RIGHT SEND FOR TRIAL TUBE**

Most gum trouble is due to brushing the teeth the wrong way. Around every tube of Albodon that you buy is wrapped a booklet, written by a well-known dentist, explaining the right way and giving other valuable advice.

For 5c in coin or stamps we will send you a trial size tube of ALBODON DENTAL CREAM sufficient to last one person a week, so that all the family may have a chance to prove its merits to their personal satisfaction.

**The Dutch Method of Washing**

How Simple and Easy This Is

Thrifty Dutch housewives wash their clothes in the white-sanded canals running through their farms. They force water through the mesh of the garments by striking the water with huge paddles. After years of this method of washing the clothes remain unharmed.

At "TRAINOR'S," on 42nd Street, will be found the "AMERICAN" way of accomplishing the same results.

The EASY VACUUM ELECTRIC WASHER does NOT rub, drag, jerk, or tumble the clothes, it cleanses the "Dutch" way, only more efficiently and with NO Backbreaking Labor.

Two vacuum cups move up and down, forcing hot, soapy water through the mesh of the garments, loosening and removing all dirt and foreign substance from them. "Trainor's" sells it on the easy monthly payment plan and it Pays for Itself Before the Last Remittance is Due.

You can have it sent home for a FREE TRIAL and satisfy yourself that it will do all that is claimed for it.

Your daintiest lingerie and laces, your flannels and blankets, and even your heavy bath mats and rag rugs, are not too much for it.

Yarkie ingenuity beats "The Dutch." Ask Your Maid.
