ALEXANDRIA, Feby 15. 1772

DR SIR,

It was rather late in the day when your Man handed me your favor of the 10th. Inst: therefore did not care to detain him to acknowledge the receipt of your Bill for £53. Sterling for the use of Mrs: Savage which I shall take care to send to Mr. Dixon by the first Oppy, & dare say he will remit her the value immediatly, shall at the same time send your Letter of advice to Mr. Gildart—I hope you have fully explained to Mrs: Savage your late transaction with regard to her Annuity—to be sure Doctr. Savage can have no objections to pay you for the future, so that you may have this Money replaced again—I shall take care to see her Power of Attorney to Mr. Montgomerie tho I fear it is as the Doctor says—I wish you health to prosecute your journey, as I fear it will be a very disagreeable one—& am. Dr Sir,

Yrs. &c HARRY PIPER
