YUBAN

The Arbuckle Guest Coffee

WHEN you offer your guests Yuban, you are serving the coffee the greatest coffee merchants offer *their* guests—the one they chose from all other coffees to serve on important occasions.

The greatest enemy of your skin

In the care of your skin have you reckoned with the most powerful, the most persistent enemy it has—the *outside* enemy?

Skin specialists are tracing fewer and fewer troubles to the blood—more to bacteria and parasites that are carried into the pores of the skin with dust, soot and grime.

Examine your skin closely. If it is rough, sallow, coarse-textured or excessively oily, you are providing the very best soil for the thriving of these bacteria.

How to make your skin resist this enemy

Begin this treatment tonight: With warm water work up a heavy lather of Woodbury's Facial Soap in your hands. Then with the tips of your fingers rub this cleansing, anti-septic lather into your skin, using an upward and outward motion. Rinse well with warm water, then with cold. If possible rub your face for a few minutes with a piece of ice.

Use this treatment for ten nights and you will see a marked improvement. If your skin should become too sensitive, discontinue until this sensitive feeling disappears. Woodbury's Facial Soap is the work of an authority on the skin and its needs. Use it regularly in your daily toilet and keep your skin clear and fresh, free and healthy, and its insidious enemies will invariably meet defeat.

Woodbury's Facial Soap costs 25c a cake. No one hesitates at the price after their first cake.

For sale by dealers everywhere.

Rub its lather in.

You can make your skin what you would love to have it.

Do this today

Tear out the illustration of the cake shown here and put it in your purse as a reminder to get Woodbury's. Tear out the cake now. Take it to your druggist or toilet counter today. Begin tonight to get the benefits of this facial soap.
