You Never Saw Such Four-Post Beds at Anything Like the Price

It is hard to find phrases sufficiently strong to describe such an unprecedented offer as this. The twin beds illustrated are of selected Solid Mahogany throughout. The design is true Colonial, with all the dignity and simple strength of line that is characteristic of the period.

With their splendid construction, their beautiful turning, their satiny soft finish, these beds challenge comparison with many valued far higher than their price of \$17.50.

Ten Other Patterns Are Included In This Week's Sale

If you have intended to have a Four-Poster, you will find here a broad range of designs from which to choose. All the prices are decidedly inviting.
