Positively the Last Week of the Special "EXPORT" Sale

This Special Sale, recently inaugurated by us in order to move quickly our overstock of superb Refrigerators which had been built for shipment abroad, but which we declined to ship on account of the unusual export conditions now obtaining, positively ends Saturday night.

BOHN SYPHON REFRIGERATORS

need no introduction. They are the standard of the world to-day in scientific refrigerator construction. The dining cars and refrigerator cars on practically every railroad in the land are equipped with the Bohn Siphon. The Bohn Siphon Refrigerators for home use are constructed on the same efficient principle of rapidly circulating dry, pure, cold air, with consequent smallest ice consumption.

REDUCTIONS AVERAGE 35% from list prices.

All sizes, in both wood and white porcelain exteriors, are reduced in price during this sale. The saving to you averages 35 per cent. If you need a Refrigerator, or want a better one, here is your chance. But you will have to act quickly, as we reserve the right to withdraw this special sale without notice.

A RARE BARGAIN

Our popular Model 43 (here illustrated) 3 doors, size 40x22x49 inches, lined with genuine steel-fused white porcelain enamel, (not paint), ice capacity 125 lbs., list price \$94, is an exceptional bargain at the special sale price of \$41.00. No such value has ever been offered before, and probably never will be again.

For Future Delivery

On a small deposit we will hold your Refrigerator for future delivery. If you cannot call, write or telephone for our handsome catalog. Remember, we are the manufacturers, not middlemen.

Ageing, wrinkled skins How to keep them young

As soon as you let your skin grow lax and sluggish, the tiny wrinkles, and then the bigger ones, will come.

But you can keep your skin so firm, so active that it will defy wrinkles and will retain its clear, smooth youthfulness. To do this, make the following Woodbury treatment a daily habit.

Bathe your face and neck with plenty of Woodbury's Facial Soap and hot water. If your skin has been badly neglected, rub a generous lather thoroughly into the pores using an upward and outward motion, until the skin feels somewhat sensitive. After this, rinse well in warm, then in cold water—the colder the better. Whenever possible, rub your skin for a few minutes with a lump of ice, and dry carefully.

Woodbury's Facial Soap is the work of a skin specialist. This treatment with it cleanses the pores, then closes them and brings the blood to the surface. Use it regularly and it will keep your skin so firm, so healthy and active that it will resist wrinkles and retain that fresh, clear youthful look you want it to have.

Do this today! A 25c cake of Woodbury's Facial Soap is sufficient for a month or six weeks of this treatment. Go to your druggist or toilet counter today and get a cake. Begin at once to get the benefits of this treatment for your skin.

Woodbury's Facial Soap is for sale by every dealer and druggist in greater New York and, in fact, by dealers everywhere throughout the United States and Canada. Made by The Andrew Jergens Co., New York and Cincinnati.
