FRAGRANT INCENSE

By simply placing a small quantity of incense in the burner and applying a match, it will immediately smolder and diffuse a dreamy fragrance most pleasing to the senses. When burned in reception hall, its perfume will pervade the upper rooms, purifying the air by absorbing and dispensing all odors. It is used extensively in the boudoir, where its soothing perfume is said to induce restful sleep, and, when burned near clothes closet or press, will impart a most pleasing perfume to all clothing contained therein.

On sale in our Perfumery Dept., or send \$1. (money order, check or registered currency,) and by return mail we will forward, prepaid, the set illustrated, which includes burner, package of our famous incense and complete instructions for using.
