

Elsie Janis lives in Castle Philipse, Sleepy Hollow, Tarrytown, New York. She bought it with real stage money. It was built about 1683 by Frederick Philipse, First Lord of the Manor. The view shows the manor house and the old Sleepy Hollow mill.

When Elsie Janis isn't mimicing a stage favorite or doing her own stunts, she Marathons around this living-room.

Does It Pay To Be an Elsie Janis, Answer Being "Yes."

"Elsie Janis as Maud Muller" was the contributory caption. But where's the Judge and the hay? Perhaps he's hitting it. Elsie Janis, mantel, book, couch, boudoir, being merely a cubist description of the No-Care retreat at Castle Philipse.

The foundation of this house is Mother. Elsie Janis earned the money to buy Castle Philipse. Her mother has advised her how to spend the money she has earned and has been her business adviser. Even stage folk can profitably stick to Mother.
