

The Milky Way over the Harlem River.

Night in the manufacturing district of the Bronx.

From Electric Light
To Early Dawn in New York

Photos by W. M. Van Der Weyde.

Dawn breaking at Gansevoort Market. Farmers' wagons in West street, near the Cunard Piers.

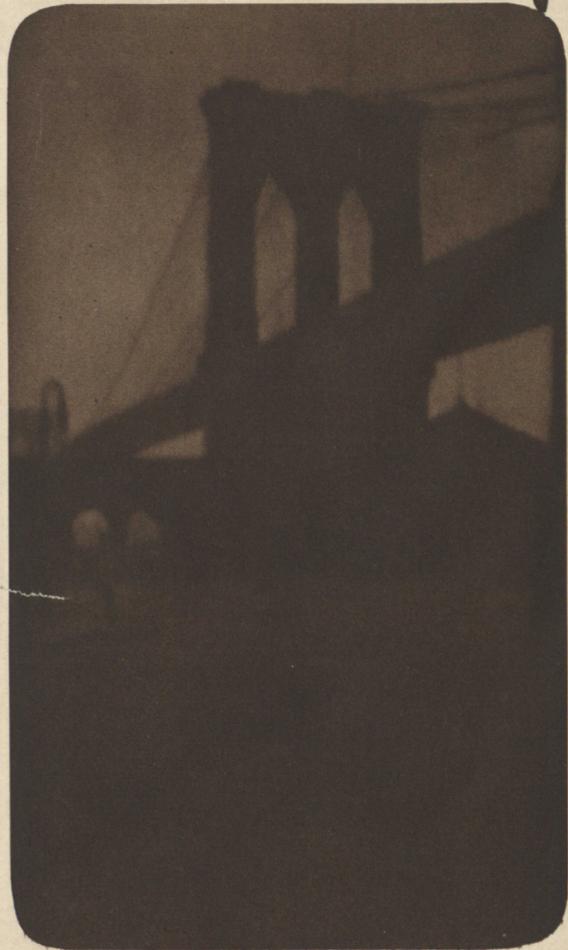

The Spires of St. Patrick's

just before sunrise.

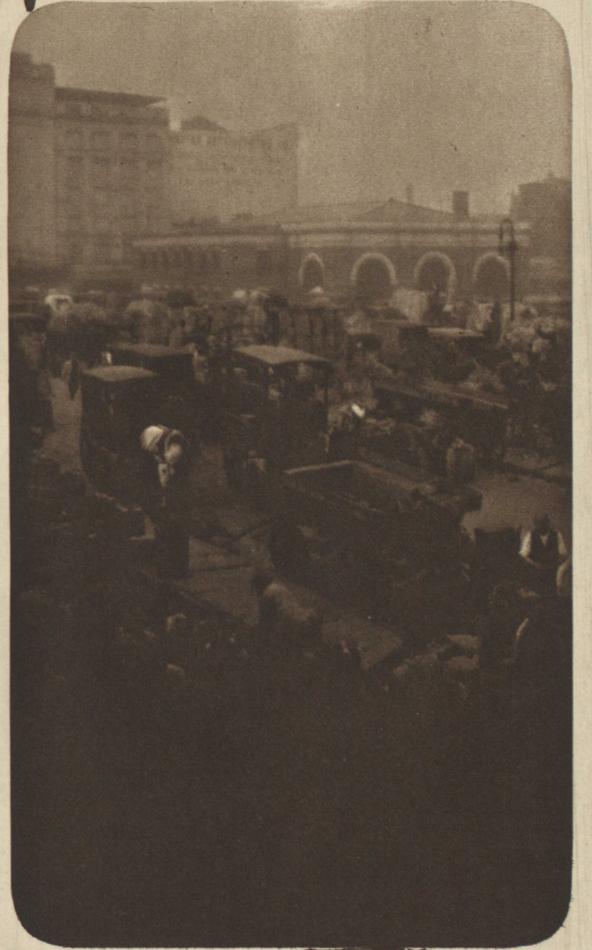

Riverside Drive and Grant's Tomb, in the early morning.

Brooklyn Bridge just before awakening to the tramp of thousands.

A bridge in Central Park while only the birds are astir.

Gansevoort Market hucksters preparing for early marketers.
