The AMPICO
Reproducing Piano

"Far from the cares of business into music's soothing realm."

Relief from the workaday worries—the renewed energy that results from pleasant recreation and a rested brain—these are yours with the Ampico Reproducing Piano.

Great pianists will play for you the music of the masters—music that carries you away to flower-decked meadows, blossoming trees, moonlit seas—the voices of murmuring brooks.

Perfect music, perfectly played, telling stories of romance—and bringing you rest.

In addition to reproducing the playing of great artists the Ampico may also be used as the regular piano for playing manually and as the player piano, using any standard roll.

CLEAR AS A BELL

A TONE as crystal clear as the chimes of a country church on a quiet Sunday: a gay tone, teasing even reluctant feet to dance; a magnificent tone, expressing the feeling of classic music—THIS is Sonora's tone which, at the Panama Pacific Exposition, was awarded the highest score for tone quality.
