

Business of trying to keep cool

Photos by American Press, O. F. Browning, Underwood & Underwood.

Try this cooling stunt yourself some sultry P. M. An electric fan and a 100-pound cake of ice is all you need. Mrs. Lion and her twins find it altogether delightful.

Tomato can shower baths are working double shifts cooling off the men of the 22nd Engineers, N. Y. N. C., at work on the big conscript camp at Yaphank, L. I.
