ALLEN'S FOOT-EASE
The Antiseptic Powder to Shake Into Your Shoes
And sprinkle in the Foot-Bath. One war relief committee reports, that of all the things sent out last year in their Comfort Bags or "Kits," Allen's Foot-Ease received the most praise from the soldiers. The American, British and French troops use it, because it takes the friction from the shoe, and freshens the feet. The Plattsburg Camp Manual, chapter on General Advice, states: "Every morning shake a little talcum powder or Foot-Ease in each shoe." Why not order a dozen packages to-day from your dealer to mail to your soldier friends in training camps and in the army and navy. Sold by Druggists and Dept. stores everywhere, 25 cts.
