The "WIZARD"
A New and Wonderful Alarm Clock Reminder

48 CUBIC INCHES OF USEFULNESS.

No other clock like the WIZARD—it does what no other clock can do. Its computing bezel precision feature alone opens up a field of usefulness for the WIZARD beyond the sphere of any other alarm clock. It will notify at any predetermined time, minutes or hours away, always at the exact minute. It will set from the face instantly for any fractional interval and alarm, stop and rest automatically when computing bezel is turned to another minute's interval. It alarms with loud ring or signals with soft buzz as desired. All with ease of operation. All with absence of complication. The WIZARD is the best made and most useful alarm clock reminder on the market. Not how many we can produce—but how well we can produce them.

The WIZARD saves daylight, time and money, and is fully guaranteed. Delivered promptly to any U. S. P. O. address, postage prepaid, on receipt of price, \$3.50. Send for booklet.

Lillian Russell's OWN SMOOTHOUT CREAM
—it velvetizes the skin

"The great secret of attaining and preserving beauty is eternal vigilance. Never neglect your complexion for a single day. You would not expect the body to be strong without the tonic effect of nourishing food; don't forget that the pores of the skin need toning up as well.

"Watch for each suggestion of a line and eradicate it before it becomes a disfiguring wrinkle. My Smoothout Cream will keep your skin clean so that blackheads and pimples will not form. It will tone up your skin pores so that the muscles of your face will never lose their elasticity.

"All the little worry wrinkles disappear, the blood pulses through your veins, every pore is rejuvenated. No matter how tired I am an application of my own Smoothout Cream will restore to my cheeks the soft smoothness of youth and perfect health.

"Try a complexion bath of Smoothout—you'll discover a new thrill. It is unique—the only cream that liquefies as soon as it touches the skin. Smoothout is slightly astringent, softening, soothing, cleansing, readily absorbed by the pores—a wonderful base for face powder. It velvetizes the skin.
