CLEAR AS A BELL

Gothic

DURING the reign of Henry III color was introduced to enrich the tracery of cabinet work. The Gothic Sonora is embellished in polychrome, and the beautiful carved effects, dignified and classic in execution, suggest the cloister of the 15th century.

Sonora won highest score for tone quality at the Panama Pacific Exposition and plays all disc records perfectly without extra attachments.

Twelve standard upright models and these period styles are now ready:

Gothic	Jacobean
Chippendale	William and Mary
Chinese Chippendale	Adam
Louis XV	Colonial
Louis XVI	Duncan Phyfe

Other models or complete equipments will be made to special order.
