Before you buy a cut price glove

Think of more than merely the appearance of the glove—consider what service you can expect it to give. How will it wash? Will the fabric pull and turn yellow and the glove lose its shape and become baggy? How will the tips wear?

In Kayser Silk Gloves every one of these features is guaranteed to give satisfactory service. That is why twelve thousand dealers and millions of American women prefer them—why more of them are sold than of all other silk gloves combined.

Be sure you get complete glove value. Ask for Kayser's.

Kayser Silk Gloves cost no more than the ordinary kind; two clasp are always 50c, 75c, \$1.00, \$1.25 and up; twelve and sixteen button lengths are always 75c, \$1.00, \$1.25, \$1.50 and up. The name "Kayser" is in the hem and with each pair is a guarantee ticket that the tips will outwear the gloves.
