"—and gee! but Runkel's does taste GOOD when you get home from school!"

HUNGRY as a wolf—yet two hours to meal-time! Tired, too,—weren't *you* tired after school when you were young?

No matter, though, even if "school went wrong"—every little care the youngster's got disappears when you bring him that piping hot cup of velvety Runkel's.

How he smacks his lips and asks for more! No wonder—for Runkel's has that gratifying "chocolaty" taste that makes it a favorite with old and young alike.

Give him Runkel's next time he says, "Ma I'm hungry." And at your grocer's today.

Runkel's Cocoa—being so much more finely powdered—dissolves more easily and completely, giving the full, natural "chocolaty" flavor of the rich cocoa beans. Food experts say a cocoa with 28% cocoa butter is too rich and indigestible and that a cocoa with only 20% is "too lean." Runkel's has 24% — just right to give maximum nutriment with complete ease of digestion.
Get Runkel's at any good grocer's. Or a Family Taste Size for trial direct from us for 10c in stamps. Ask for our new "Book of Tasty Things" — FREE for your grocer's name. Runkel Brothers, Inc., 424 West 30th Street, New York.
