'Tis a very simple prayer, dear,
That I never cease to pray,—
God keep You in His care, dear
And shield You night and day.

Unser lieber Kaiser!

627 Haza nélkül nincsen élet —
Derits rá fényt, dicsőséget.
Végső órán segits minket
...És bocsásd meg vétkeinket.

GOOD-BYE, DOLLY GRAY! (4).

Have you heard the way he died, Dolly Gray,
As his comrades "Victory" cried, Dolly Gray?
How he crossed that fire-swept glade to a wounded comrade's aid?
And for this his life he paid, Dolly Gray!
For the deed so nobly done, Dolly Gray,
They've sent you the cross he won, Dolly Gray;
But the words he sang so clear are still ringing in your ear,
And will break your heart, I fear, Dolly Gray!
