Cole NEW YORK

7 WEST 45TH ST.

The Spring business in Women's Tailored Suits has started.

The cold weather has made women long for the coming of Spring.

With that longing has come the thought to be prepared for Spring when it does come.

It has been a cheerful occupation for women customers to look over COLE SPRING STYLES and make selections of tailored suits.

This year's effort surpasses last year's effort in the creation of distinctive and attractive styles.

The Cole quarters are budding with attractive tailored suit models.

The smallest priced bud in the collection is \$100—but it is worth it—just as the highest priced ones are worth their price.
