

The Flatiron Building

On an island bounded by broad streets and overlooking Madison Square.

At a point not only picturesque but one of the three busiest in New York.

One of the points of interest of the city, and known to more people out of town than any other office building in the world.

With the best of transportation facilities, whether you use the subway, elevated, surface or Bus lines.

Modern in construction, unique in plan, and with service to the tenants the first thought of the management.

Open 24 hours a day, every day in the year.

There are for rent small offices or an entire floor without a dark corner.

Ground floor space for rent suitable for branch Stock Brokerage Office.

Prices that will interest you.
