BOHN SYPHON REFRIGERATORS

Special "Export" Sale Now On, but You Must Act Quickly!

We manufacture a large line of our best models for shipment abroad, but on account of the unusual export conditions we decided last fall to offer these superb Refrigerators at special reductions, rather than carry them over the winter. One of the worst freight blockades in the history of New York City held up part of our shipments from our factory so that the sale had to be suspended at that time, but now the blockade is lifting and we are receiving our belated shipments.

These special prices will seriously interfere with our regular trade at our very best season, but to keep faith with the many people who were disappointed last fall we felt that we should make this special offer. Later, we decided to give the general public the benefit of these reduced prices. All sizes, in both wood and white porcelain exteriors, are reduced.
