# Season-End Clearance of the World-Famous Bohn Refrigerators

Rather than carry our present stock through the Fall and Winter months, we have decided to offer every model at a radical reduction from the list. Even at the list prices, there can be no comparison for value between these splendid Bohn Refrigerators and any others made. The liberal savings we now offer create an opportunity which no one should overlook.

**BOHN SANITOR REFRIGERATORS 50% Off**

**BOHN SYPHON REFRIGERATORS 35% Off**

One point we wish to emphasize particularly. Practically every model in our line is represented in this sale; you will find all the most popular sizes. The Bohn Sanitor Refrigerators start at \$25.00 (list \$50.00), and range up to \$55.00 (list \$110.00), ice capacity 75 to 325 lbs. Bohn Syphon Refrigerators range from \$34.80 to \$188.50 (list prices, \$53.55 to \$290.00), ice capacity 100 to 475 lbs.

We cannot impress upon you too strongly the exceptional nature of this opportunity. Bohn Refrigerators are recognized as the World's standard of refrigerator construction. The Bohn Refrigerating System is used in practically every refrigerator and dining car in the land, in a great number of hotels, hospitals and other institutions, and in the finest homes. Do not miss this chance to secure a Bohn Refrigerator at far below normal cost.

**Delivery at Your Convenience.** A small deposit with your order will secure your refrigerator for later delivery. Delivery will be made any time that suits your convenience. If you cannot call, write or telephone for our handsome catalogue. Remember, we are the manufacturers, not middlemen.

**White Enamel Refrigerator Co. of New York, 53 West 42d St. (Phone Bryant 7817.)**

# THE TRIBUNE INSTITUTE

conducted by

The New York Tribune

ALL HOUSEHOLD APPLIANCES ILLUSTRATED ON THIS PAGE HAVE BEEN TESTED AND APPROVED BY THE TRIBUNE INSTITUTE

DETAILED DESCRIPTIONS OF ALL THESE UTENSILS ON PAGE 6, PART IV.

**ROUND FILE POPULAR GAS LIGHTER.** Made by Safety Gas Lighting Co., Haverhill, Mass. Don't let the maid fill the top of the gas range with burnt match ends any more. Instead, try one of these gas lighters. It works on the principal of flint and steel. One pressure of the spring and the spark lights the gas. Price 25 cents.

**THREE-IN-ONE BROOM HOLDER.** Made by S. I. Ovi, 25 West 42d Street, New York. In this picture you have to imagine the broom and dustpan as being somewhere below the handles that are gripped by this ingenious triple holder. But they are there just the same—and the housewife who cares enough about efficient methods to have such a holder will always find them in place. Price 15 cents.

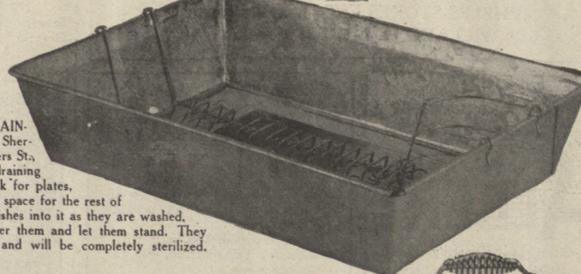

**LADD BEATER NO. 1.** Made by the United Royalties Corporation, 1133 Broadway, New York. This is a most efficient beater for eggs, cream, mayonnaise or anything that needs quick and thorough beating. It has eight beater blades and a direct centre drive that prevents the tripping and clogging which is so serious a fault in an egg beater. Nickel plated. Price 50 cents.

**PYRENE FIRE EXTINGUISHER.** Made by the Pyrene Mfg. Co., 52 Vanderbilt Ave., New York City. This little extinguisher is light, easily handled and will put out any fire if you use it quickly enough. The chemical will not damage clothes or furniture and a woman can handle it. Price \$7. Recharging \$1.

**NATIONAL WATER MOTOR WASHER.** Made by the National Motor Company, of Springfield, Ohio. The pressure from an ordinary city faucet—about forty pounds—is sufficient to run the little motor. Fill the machine; attach the supply hose to the cold water faucet and drop the end of the waste hose in the sink. Price \$17.

**SHERWOOD DISH DRAINER.** Made by J. M. Sherwood Co., 154 Chambers St., New York. This is a draining pan with a special rack for plates, a basket for silver, and space for the rest of the dishes. Pile the dishes into it as they are washed, pour boiling water over them and let them stand. They will need no wiping and will be completely sterilized. Price 75 cents.

**WEAR-EVER ALUMINUM WARE.** Made by the Aluminum Cooking Utensil Co., New Kensington, Penn. For a woman who likes beautiful cooking utensils, these will be ideal. Moreover, they are durable and sanitary. Some of the heavier things, such as griddles, spiders and waffle irons, are made of the heavy cast aluminum, but the greater part of the equipment is stamped from sheet aluminum and made without seam or solder. Dirt and germs have no chance for safe harbor here, for the surface is discouragingly shining and smooth. Prices on application to manufacturer.
