The Victrola

The Children's Best Playmate

This is the Victrola XVI. \$200.

HOW the kiddies love their Victrola! Faithful playmate, always ready and glad to join in the fun.

Now pealing forth a triumphal march while Captain Bob leads his Nursery Army in brave array; now singing a sweet lullaby when little heads begin to nod.

Let the children themselves help select the airs they enjoy.

Bring them to Landay's some afternoon this week.

In a delightful little room all their own they may listen to the superb Victor records to their hearts' content.

Their outspoken approval of a record at Landay's insures hours of pleasure at home.

May we expect the children this week? We'll give them hearty greetings.
