Oza Waldrop has dropped in to do the title role in Edward People's new comedy, "Friend Martha." She's prepared to stay all winter.

Holding a mirror to nature doesn't interest Margot Kelly particularly. It's her hair that counts. She's in "Pierrot the Prodigal," too.

SHOE CRAFT

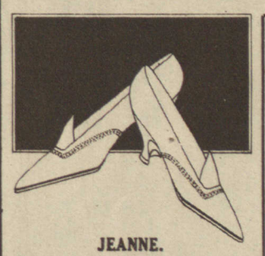
FITTING THE NARROW FOOT

WIDTHS AAA, AA & A, IN SIZES 7½, 8, 8½ & 9.

"I used to think it was necessary to have my shoes custom made for a foot such as mine," said Miss H., who wears an 8½ AAA, "but I find that 'ShoeCraft' narrow width shoes fit better than any I have ever had." It is because we have special last models for the narrow foot that custom fittings from stock shoes are the rule here. Ask for our tiny book of shoe truths "Fitting the Narrow Foot."



JEANNE.

You'll like the Jeanne spat pump. It is one of the most chosen "ShoeCraft" models. Severe tailored lines and a graceful leather heel. Black Russia with welted sole, $10. Spats in the new colors, $3.

SHE WAS A WALLFLOWER

Tired, disgruntled and never having a good time. That was before she wore "ShoeCraft" slippers. Now her slippers neither bulge nor pinch and she dances beautifully. Yes, slippers do make that much difference sometimes, as perhaps you know.

MILIANI.

"Miliani" is a new "ShoeCraft" slipper with a low heel which makes it nothing short of jaunty. In Black Satin it is priced $7, and in Black Russia, Calfskin or Patent Leather, $8.50.
