EASE LAYER PIANOS for response

Besides the beauty and originality of their appearance, Pease Grand Pianos are noted for uniform excellence of touch and tone.

Concert pianists tell us that the perfect repeating action of Pease Grand Pianos with patented soft pedal service and lost-motion take-up—gives a responsive, light and elastic touch.

Operatic singers praise the Pease for its rich poetic and sympathetic tone, which supports the voice admirably.

Illustrations and full details of Pease Grand Pianos are given in a booklet which we will gladly mail upon request.

Convenient Terms. Allowances on old instruments. Every Pease Piano is guaranteed.
