

MALLINSON'S Silks de Luxe

Snap Shots of KHAKI-KOOL

The camera tells the story of the daringly different costumes inspired by these fascinatingly original summer silks for outdoor wear.

But a photograph cannot show you the bizarre beauty of coloring which makes "Khaki-Kool" the silk supreme for outdoor fashions.

"Khaki-Kool" by the yard is inspiring—fashioned into a garment its style is irresistible. The best shops are showing "Khaki-Kool" costumes complete with hats, bags and parasols.

"Khaki-Kool" is a staple silk—always in style—always worth what you pay for it.

Where You Can Procure These Garments

Every garment illustrated on this page may be procured in leading stores throughout the United States. Note the numbers, and if you are unable to find your selection we will send you name of store where it may be found.
